

2026 Education Awards

NBTA Credit Union's Story

NBTA Credit Union was started in 1971 as an alternative to the banks for New Brunswick Teachers. From these humble roots, NBTA Credit Union has grown into a full-service financial provider ready to serve the New Brunswick Education sector, members of the general public, and their families. With approximately 4500 member-owners throughout New Brunswick, NBTA Credit Union is an organization concentrated on community support, responsible and competitive banking, and providing unparalleled customer service to those whom we serve each day.

Take Ownership of Your Financial Future Today.

NBTA Credit Union's Mission Statement is "Your Financial Well-Being is Our Business." We take the worry out of financial matters for you in this stage of your life by offering No-Fee Student Accounts, Student Lines of Credit, and Student Master Cards, creating an affordable way for you to continue your education.

The NBTA Credit Union presents a minimum of six education awards of \$2000 each, annually. These awards are available to students whose parents and/or grandparents are member-owners of the NBTA Credit Union as well as to any member-owner of the NBTA Credit Union. The awards are non-renewable but may be re-applied for each year. The awards are contingent on actual full-time enrolment in a post-secondary institution.

The deadline for applications (including transcripts and acceptance letters) to reach the NBTA Credit Union is **April 24, 2026**.

Applications received after this date will NOT be considered

The successful candidates will be notified in time for announcements to be made at the graduation ceremonies in June. Applications may be obtained online or from the office of NBTA Credit Union.
